THE TOWN OF VINTON VIRGINIA

Christopher S. Lawrence
Town Manager

TO: MAYOR AND MEMBERS OF COUNCIL

FROM: CHRISTOPHER S. LAWRENCE, TOWN MANAGER

SUBJECT: PROPOSED BUDGET FY 2015/2016

DATE: April 7, 2015

I am pleased to submit the *Proposed FY 2015/2016* Budget to the Town Council and the Town of Vinton citizens. This year's budget is balanced and was developed under difficult circumstances due to the economic downturn. The purpose of our budget is to plan necessary operating and capital expenditures for the next fiscal year to meet Council and citizen expectations while servicing the Town's debt. Quality community services such as police, public works, fire and EMS, special programs, War Memorial facility, planning and financial services will continue to be offered at a reasonable cost. The *Proposed FY 2015/2016 Budget* for all funds totals $12,658,190. Allocation by fund, as well as a comparison to the FY 2014/2015 budget, is as follows:

	Adopted FY 14/15	**Proposed FY 15/16**	**Dollar Variance To FY 14/15**	**Percentage Change**
General Fund	$ 8,566,220	$ 9,040,040	$473,820	5.53%
Utility Fund	3,449,935	3,618,150	20,555	4.87%
Total	$12,016,155	$12,658,190	$494,375	5.34%

RECOMMENDED BUDGET ALLOCATION BY FUND

While the budget by its very nature must contain numbers, the message we want to communicate in this budget document is one of commitment to outstanding service delivery and progressiveness in local governance. The *Proposed Budget* before you supports hundreds of services that are delivered by the four operating departments and four administrative offices. We encourage you to focus your attention on the objectives in each department that are supported with the funding proposed for *FY 2015/2016*. With the continuing partnership between Town employees and individual and corporate citizens alike, we will continue to search for ways to be innovative in delivering services to the deserving citizens of the Town of Vinton.

BUDGET FOCUS

The review and adoption of the Annual Operating and Capital Budget represents one of the most important policy-making responsibilities of the Mayor and Town Council. The budget is more than just the legal document appropriating funds; it establishes priorities among competing governmental services, all of which have dedicated constituencies. The Town Council must also establish service levels based on the priorities and within the fiscal capacity of the Town.

Preparation of the *Proposed FY 2015/2016 Budget* was guided by the following policies:

- Maintain the overall quality of life for residents
- Maintain the quality and variety of services provided
- Evaluate functions, activities, personnel levels, and determine whether cost savings or service level improvements can be achieved
- Replace equipment and vehicles when it is most cost effective
- Identify alternative revenue sources

The current minimal growth of the economy challenged the management team in preparing the *Proposed FY 2015/2016 Budget*. The budget reflects the Town's growing costs of providing services and minimal revenue growth. Expenditures have also been carefully reviewed to identify areas of potential savings.

BUDGET OVERVIEW

Council's commitment to sound fiscal decision-making is again reflected in this budget. The citizens of Vinton expect quality services, prompt snow removal, professional law enforcement, professional land use and development guidance, quality community and recreation facilities, clean and well-maintained streets, quality neighborhoods, dependable water and sewer service, responsive solid waste and recycling collection and many other quality municipal services. Our citizens expect that these services be provided with minimal reliance on real estate taxes. Real estate tax revenue only accounts for 3.56% of the Town's total general fund revenues with a tax rate of $0.07/$100 of assessment value. The town did see real estate assessments increase by approximately 0.81% with the 2015 reassessment.

Revenues:
The economic recession has negatively impacted our revenues over the past several budgets including Virginia General Assembly changes in funding, general personal property values, utility tax, investment income, limited new development, and reduced consumption of water by our customers.

Real Estate and Personal Property Tax:
The proposed budget includes an increase of $.04 in the current rate of tax on real estate at $0.03 per $100 to $0.07. This results in a net increase of $182,252 of new revenue. The current rate on personal property tax at $1.00 per $100 is unchanged.

Meals Tax:
The meals tax continues to be a strong revenue source for the Town and is estimated to generate $907,000. This stable revenue source is reflective of the value our restaurants are able to offer their customers. I am optimistic that this revenue source will maintain at this level or may actually increase more with several downtown restaurants keeping later evening hours and new ones opening.

Cigarette Tax:
Five years ago during the budget process, Town Council adopted a $0.20 per pack cigarette tax which has added approximately $1,538,333 to the last five fiscal budgets. In FY 2012/2013 we recommended in the budget requests an increase of $0.15 per pack cigarette tax for a total of $0.35 per pack cigarette tax which we estimate to bring in the FY 2013/2014 budget an additional $159,375. We found during last fiscal year this did not perform as expected and continues to be a regressive tax. After listening to our retail establishments and researching information by staff, Council decided to reduce the cigarette tax to $0.25 effective March 19, 2014.

In short, this revenue source did not bridge the gap between the operational and capital expenditures we had recommended and the needed expenditures to operate the town services in the FY 2013/2014 budget. With the *Proposed FY 2015/2016* budget we are estimating this revenue source to generate approximately $250,000.

Expenditures:
Each department was asked to critically evaluate their budget and identify budget reductions while maintaining the core government functions of their respective departments. This was a very difficult and arduous task, which was successfully completed to generate the final *Proposed FY 2015/2016* budget. These budget reductions and increase in real estate taxes has resulted in a General Fund Budget that is balanced for operating expenses, and recommends using $26,100 of Capital Reserve Fund. The major cuts over the past five years have reduced funding for the capital projects funding as well as elimination of specific full-time and part-time positions in the Finance, Police and Public Works Departments. The town facilities and equipment are aging and our buildings not only need to be maintained but are going to require significant investment over the next 5-10 years to major mechanical systems and roofs. Additionally, major equipment such as refuse, fire trucks, and similar items need to replaced in the next five years.

Personnel:
The Town has an excellent reputation for being a desired employer as well as having outstanding employees who are committed to providing the best possible service to the community on a day-in and day-out basis. When establishing budget priorities, it is important to remember this even in light of other employers who are not providing pay increases and are considering layoffs.

Funding is included in the *Proposed FY 2015/2016* budget to provide the following:

- The town will continue to encourage employee professional development through funding of higher education tuition reimbursement.
- The town's insurance premiums had a 0% increase effective July 1, 2014. The last two years included an 8.7% and 9.76%, respectively. This year we will maintain the insurance policies already in place plus offer an additional option for reducing the amount of dental coverage. Town employees who select the Expanded coverage, will pay the same $56 per month towards their premium. We will still offer a no cost policy to the employee option; the Key 500 plan, which is a traditional 80/20 plan. The town also includes more affordable options for employees that choose to cover a dependent or the entire family.

- VRS Plan 1 & 2 employees began paying the 5% employee contribution towards their retirement program in 2013. Plan 2 employees are defined as those employed as of July 1, 2010 or later and not already covered as a plan 1 employee from a previous employer. The newest plan is called a Hybrid plan, which covers employees except public safety personnel hired after January 2014. The Town's VRS contribution rate increased effective July 1, 2014 from 8.48% to 12.70% which is approximately $130,000. There is no additional rate increase this upcoming year. However, an actuarial assessment will be completed this upcoming year to set the rates for the following two years.

- Since 2008, employees have received one merit bonus in 2009 of $500, a 2.25% pay increase in 2012, and a 1.5% pay increase in 2013.

- A 2% cost of living increase is proposed for all full time and permanent part-time employees.

Capital Improvement Program:
The CIP is intended to be a five year plan for building, equipment, and major purchases for the town. Approximately $2,272,023 worth of needs were identified and submitted by departments for the FY 2014/2015 budget year. The proposed budget includes funding of only $61,500 in the General Fund of these needs and it defers the remaining projects to future years. The following projects are included the budget for funding:

1. Gateway Enhancements	$ 5,000
2. Replace Medic 23 Ambulance (Grant with Roanoke County)	$45,000
3. Replace 2005 zero-turn lawn mower	$ 7,500
4. Walnut Avenue Corridor Improvement Project	$ 4,000
Total General Fund	**$61,500**

Capital improvement projects funded in the Utility Fund were in the amount of $224,000. The projects included:

1. Meter Reading System Upgrade	$ 25,000
2. Design Phase II Jefferson/Cleveland Aves Waterlines	$ 75,000
3. Deployable Leak Detectors & Equipment	$ 40,000
4. Design & Replacement of Sewer Main on Blandford Ave	$150,000
5. Niagara Village Apts-Water Line Replacement	$ 12,000
6. Mason Rd/Bexhill Dr-Water Line Replacement	$ 15,000
Total Utility Fund	**$317,000**

Additional projects continue in the Utility fund which resulted from the issuance of our 2013 Series GO Capital Improvement Bonds and the adopting of the Cost of Service Study. The town's partnership contribution of approximately $939,785 as part of the overall $17,087,000 Western Virginia Water Authority wastewater treatment plant upgrades is progressing. Design work is also beginning on the Cleveland/Jefferson/Jackson Avenues water project. Equipment that was designated for lease purchases through the bond was purchased for the Public Works Fleet.

Downtown Revitalization (Community Development Block Grant):
The Town was notified in the summer of 2012 of our successful bid to receive a block grant of $700,000 to greatly assist in the revitalization of our downtown. The grant is funded through a partnership with the federal government and the Virginia Department of Housing and Community Development.

The revitalization efforts focus on four key areas: (1) streetscape improvements, (2) business façade improvements, (3) branding and marking of the downtown area as a destination, and (4) a revolving loan fund to support new businesses and expansion of existing businesses. The grant is managed by the Assistant Town Manager as the grant administrator and is guided through a project management team of stakeholders. The grant is expected to be completed by December of 2015 and will work to leverage state, local, and private investment totaling over $2.1 million, not including the new Roanoke County Vinton Branch library, under construction, estimated at $9 million.

Water and Sewer Fund:
The maintenance, operations, and investment in our water and sewer system are a fundamental government service. We have recognized the significant needs in our aging utility system and diligently work to keep it functioning. However, in the upcoming 10-15 years, significant investment will be required to replace water and sewer lines, pump stations, and equipment. The *Proposed FY 2015/2016* budget as presented is balanced. A comprehensive rate structure analysis was presented to Council in January 2013. Council adopted as part of the FY 2013/2014 Budget an 8.7% water and sewer rate increase. As part of the Cost of Service Study an 8.9% rate increase in water and sewer rates was approved for both FY 2014/15 and FY 2015/16 which will provide funding for infrastructure needs, capital needs and reserve funds needed in the Utility Fund.

Service Level Changes:
Several recommendations directly impact service delivery both increasing services as well as reducing services. The major service improvement is an increase in staffing to provide 24-hr fire services. This requires the additional of two full-time fire fighters and in partnership with Roanoke County who will hire five additional employees. This will address an increasing trend of slower or no response from our volunteer department during the evenings and weekends.

The second major service level change is the recommendation to close the 68-year old Vinton Municipal Pool. The pool was recommended to close five years ago, and through a successful partnership with several churches, the pool has continued to operate. It is becoming increasingly more difficult to provide a full team of volunteers to fun activities and concessions. This is leading to an increase in staff costs. Overall subsidies are increasing and substantive capital investments are needed, and in the near future will be required. At 68-years old, the pool has provided years of recreation and has certainly met and exceeded its useful life as a facility.

CONCLUSION

In conclusion, the fiscal condition of the Town remains sound while services are provided to meet Council's goals. However, Council needs to be aware that the downturn has had an effect on the financial condition of the Town. According to our fund balance positions we have had a modest growth to replenish the fund reversing the trend seen over the past five years. The town ended FY 2014/2015 strong with a surplus in both the general fund and utility fund to replenish reserves. We are monitoring revenues in our current budget year of FY 2014/2015 to insure the town ends in a positive position. The majority of the surplus last year and our efforts this year to watch our expenses is attributable to the extraordinary efforts made by our employees and delaying capital purchases and projects. Cuts have reduced staffing levels and all are doing more and taking on more responsibilities. This has been accomplished by staff making every effort to reduce our expenditures without disrupting service levels.

Members of the Town staff are available to assist and support the Town Council during your deliberation on this *Proposed Budget*. We will provide any additional information or data you may need during your review of the objectives and proposals included in this document. Copies of the *FY 2015/2016 Proposed Budget* are available in the Town Manager's Office, as well as the Treasurer's Office and on the Town's web site at www.vintonva.gov. Finally, a document of this size and magnitude is a product of many individuals. Each Town staff member who contributed to the development of this *Proposed Budget* is to be commended. Treasurer, Barry W. Thompson, Assistant Town Manager, Ryan Spitzer, and Human Resources Specialist, Donna Collins, led to the development of this budget. In addition, the department heads spent countless hours on all matters contained in this budget. Without these individuals, this budget would not be possible. Lastly, Town Council has spent a significant investment in their time to provide leadership and guidance so that the values and priorities of the community are maintained to the greatest extent possible within our financial means.

THE TOWN OF
VINTON
VIRGINIA

The **Town of Vinton** provides small town character with urban services and amenities located nearby. The small town atmosphere is characterized by a low crime rate, small locally and regionally owned businesses, and moderately priced homes. Views of the mountains and Blue Ridge Parkway abound. Vinton represents the ideal type of community, small enough to provide a feeling of "belonging", yet progressive enough to provide the facilities, services, and conveniences that are necessary to make a community "home" to its citizens.

HISTORY

The Town of Vinton has a rich history beginning before its charter on March 17, 1884. As far back as the mid-1700's those moving into the Roanoke Valley settled here to take advantage of the fertile land and abundant water supply. Early settlers played a vital part in the establishment of the community, such as the first official name for the area as "Gish's Mill" and ultimately the name Vinton. Perhaps one of the greatest mysteries about Vinton is the unknown origin of the name of Vinton. Many credit B. A. Jones, a local merchant, with deriving the name from two prominent families' in the area, the Vinyard's and the Preston's. Following incorporation, Vinton experienced continued development, much of which resulted from the spin-off of economic growth occurring in Roanoke County. The economic and social linkage formed between Roanoke and Vinton in the late 1800's have continued through to the present.

DEMOGRAPHICS

Vinton is a town in Roanoke County, Virginia, United States. The population was 8,098 at the 2010 census. Vinton is part of the Roanoke Metropolitan Statistical Area and the Roanoke Region of Virginia.

According to the United States Census Bureau, the town has a total area of 3.2 square miles (8.2 km^2), all of it land.

The southern border of Vinton consists of 1.5 miles of lakefront in the Roanoke River Gorge. This lake, however, which was created by the 1904 construction of the hydroelectric Niagara (so-called) dam, is not visible from any inhabited part of the town, is difficult to reach, and is little used.

Vinton has varied topography, considering its small size. The above-mentioned lake is at an elevation of 890'. The Vinton side of the lake consists of a steep, wooded cliff 150' in vertical height. Vinton's highest point is on Olney Rd., at an elevation of 1265', which affords spectacular views of the adjacent City of Roanoke, at least for people with houses favorably positioned.

As of the census of 2010, there were 8,098 people, 3,494 households, and 2,174 families residing in the town. The population density was 2,451.4 people per square mile (947.8/km^2). There were 3,774 housing units at an average density of 1,093.4/sq mi (422.8/km^2). The racial makeup of the town was 88.8% White, 5.4% African American, 0.10% Native American, 1.0% Asian, 0.05% Pacific Islander, 0.59% from other races, and 0.91% from two or more races. Hispanic or Latino of any race was 1.11% of the population.

There were 3,494 households out of which 29% had children under the age of 18 living with them, 40.8% were married couples living together, 16.3% had a female householder with no husband present, and 37.8% were non-families. 32% of all households were made up of individuals and 25.9% had someone living alone who was 65 years of age or older. The average household size was 2.27 and the average family size was 2.85.

In the town the population is spread out with 25.7% under the age of 19, 6.0% from 20 to 24, 26.7% from 25 to 44, 25.8% from 45 to 64, and 15.9% who were 65 years of age or older. The median age was 39 years. For every 100 females there were 86.3 males. For every 100 females age 19 and over, there were 81.9 males.

The median income for a household in the town was $42,427, and the median income for a family was $60,172. The per capita income for the town was $21,711. About 9.0% of families and 15.2% of the population were below the poverty line, including 27.3% of those under age 18 and 8.3% of those ages 65 or over.

EMPLOYERS

In Vinton, the largest employers include Precision Fabrics (around 400), Berkshire Healthcare Center (157), and Aramark Uniform Services (140), in addition to Kroger Food Center and Roanoke County Schools, The Town of Vinton (95).

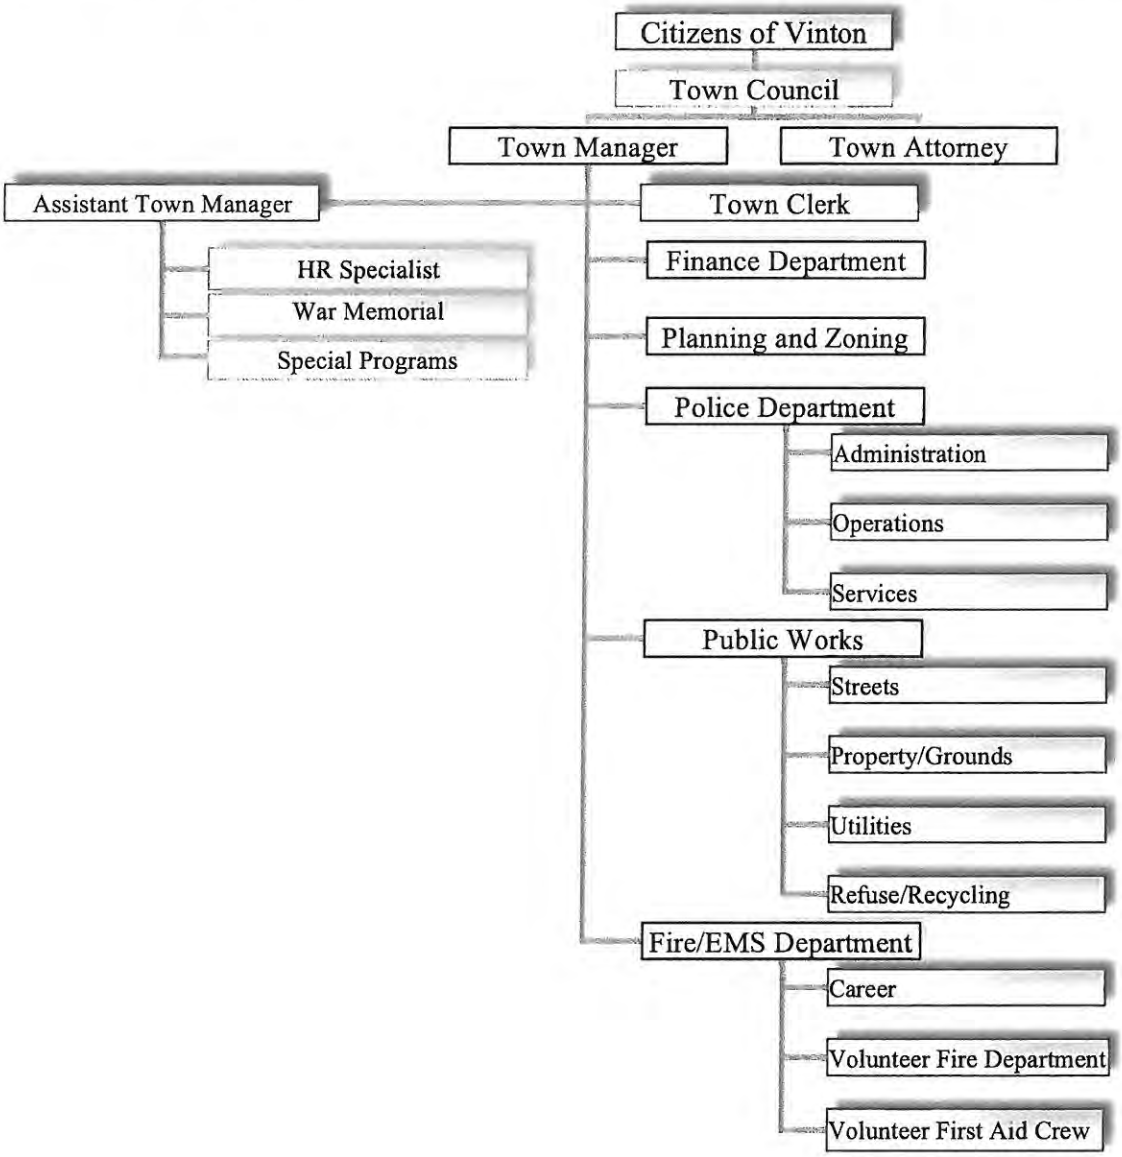
In Roanoke County, the Roanoke County School System is the largest provider of jobs, with more than 2300 employees. Other major employers include Wells Fargo/Wachovia, Allstate Insurance, ITT Night Vision, Roanoke County Government, Home Shopping Network (in Bonsack), Kroger, Richfield Recovery & Care Center and Friendship Manor.

The town and county have invested in several business parks that are looking for tenants, including the Vinton Business Center, now home to Cardinal Glass.

EDUCATION

As of one year ago there were more than 14,700 students enrolled in Roanoke County schools from grades kindergarten through High School. With approximately 1,200 students, William Byrd High School is one of the largest in Roanoke County. A major renovation was completed in 2011. Attendance levels in the Vinton school zone are as follows: Herman L Horn 279, W. E. Cundiff 500 and Bonsack 500.

Town of Vinton
Organization Chart



The Budget Overview

The budget document is the means of communicating to citizens the activities and goals for the Town in the upcoming fiscal year. It identifies the resources required to meet these goals and details how those requirements will be met. The budget is used as a working plan to assist Town management in ensuring that decisions made as part of day-to-day operations are consistent with the Town's short and long term goals. Considering that the budget is a plan, it may be amended during the year by the Town Council to reflect revised priorities or a changing financial environment.

There are three different budgets presented in this document; the general fund budget, the utility fund budget and the capital improvement budget. The general fund budget provides for the administration of the Town and the delivery of goods and services to the community and the Town departments. The utility fund budget provides for the operation of the Town's water system and regional sewer treatment plant participation. These budgets cover a 12-month period beginning July 1st and ending June 30th. The capital improvement budget provides for the construction, expansion or maintenance of the Town's infrastructure and for purchase of major equipment expenditures above a cost of five thousand dollars for the current year. The program is a five-year program and the Town reviews and updates the CIP on an annual basis.

Document Structure

The general fund budget portion of the document is structured in increasing levels of detail, starting with budget summaries that state the budget in the broadest of terms. Expenditures and revenues are presented for each Fund in total dollars by source and use. The definition of a Fund and the different Funds utilized by the Town are found in the Budgetary Accounting section of this narrative. Following this break down is a Revenue Summary listing each revenue item for the Town. The revenue detail summaries are followed by a full-time personnel summary count by department. Prior year actual amounts, current year revised budget amounts and the upcoming fiscal year approved budget are represented for each level of detail. Finally, the document provides a narrative for each department indicating the function, activities and resources of each department and any changes that are being made to the department for the budgeted fiscal year.

The capital budget portion of the document begins with an overview statement of the five-year plan and then gives a narrative of each project within the plan. The project narrative includes the purpose and scope of the project and notes any impact on the operating budget.

The Budget Process

The operating budget process begins with the distribution of Capital Improvement Request Forms to each Department Head at the beginning of January which is due by the first of February so they can be reviewed and scheduled for a presentation to the Planning Commission Meeting the first of March. Also at the beginning of January the Financial Software budget module is made available to all department personnel that have rights to the module for budget input with instructions that budget submissions are due to the Finance Department by the first of February. Letters to Community Organizations are mailed indicating that their request for funding are due back to the Town Manager's Office by February 15 so they can be reviewed and if necessary these organizations may be invited to make a presentation to Town Council during the two Regular meeting of Council in March.

Departments submit detailed budget requests to the Finance Office the first week of February. Submissions are reviewed and analyzed by the budget team consisting of the Finance Director/Treasurer, Human Resources Specialist, Assistant Town Manager and the Town Manager. Meetings are held with the budget team and department heads and their staff. The budget is balanced. Mid-March the public hearing notices are advertised for the Real Property tax rates in order to set the rates for the new tax year. Beginning in late March to early April the budget is presented to Council. Each Department makes a detail presentation of their budget to Council. After these presentations, Council holds work sessions on the budget to discuss the budget and makes changes.

After careful consideration and deliberation on staff and citizen input, the preliminary budget, as modified for additions and deletions, is advertised for adoption by the Town Council. At a Regular Council Meeting during late May or June, Town Council approves the Budget through an ordinance. The ordinance places legal restrictions on expenditures at the departmental level. A department or category budget in total can only be revised by the Town Council. The Town Manager is authorized to transfer budgeted amounts within general government departments.

Request to amend the budget are presented to Council formally through a written report outlining in detail the purpose of the request. A resolution is adopted in a regular Council Meeting for the actual dollar amount appropriating the amount to the line item in the budget from the revenue source.

Once Council has approved a resolution for a budget amendment, the Clerk provides a copy to the Finance Department and the budget amendment is made in the accounting system.

Budgetary Accounting

The Town's financial operations are budgeted and accounted for by "funds." A fund is a separate and self-balancing accounting unit with its own specific revenues and expenditures. Separate funds established by the Town include:

- General Fund—used to account for general operating expenditures and revenues;
- Capital Projects Fund—used to account for major capital expenditures that extend beyond a single fiscal year;
- Special Revenue Fund—used to account for large, infrequent revenue sources received for special projects.
- Utilities Fund—used to account for operations of the public water and sewer system financed through user charges and other system revenues.

The Town's budget and budget reporting vehicles utilize accrual plus encumbrance basis of accounting. This refers to when revenue and expenditures are recognized. In accrual accounting, revenues are recognized when they are both measurable and available to finance current expenditures. Expenditures are recognized when incurred. Encumbrance basis includes expenditures for which funds have been obligated but not yet expended.

Monthly Financial Reports are prepared for Departments, Administration and Council providing them month-to-date expended, encumbrances, year-to-date expended and remaining balance information. Also at the time of posting of Purchase Orders and Accounts Payable a check on the balances in the expenditures accounts is required.

Vinton Town Manager's Office Mission Statement

The Mission of the Town of Vinton Town Manager's office is to record and implement the policies of the Town Council. We will provide the professional link between the citizens of Vinton and all agencies of government in ways that are efficient and cost effective. We will accomplish this by following core values that will be reflected in our everyday activities with our pledge to be neutral and impartial, the dedication to service excellence and by conducting ourselves ethically, honestly and with integrity.

Fiscal Year 2014-2015 Accomplishments

1. Town Clerk continued as the Town's representative on the Bank on Roanoke Valley Steering Committee.
2. Developed and implemented joint proposal with Roanoke County to implement 24-hour career staffed fire services to supplement existing volunteer resources at Vinton Station 2.
3. Completed design and construction on renovations to Vinton Station 2.
4. Continued assisting in coordination of the Vinton Branch Library Construction.
5. Met and negotiated lease with Alexander Films to use the Health Department building first floor as office space during the filming of a family-friendly movie using Vinton and other Roanoke Valley locations.
6. Marketing/Branding/Economic Recruitment agreement with Vinton Area Chamber of Commerce.
7. Developed and hosted community meetings related to development of a new skate park in Vinton in partnership with Invoke Ministries.
8. Town Manager appointed to national committee for next generation managers through the Alliance for Innovation, the premiere organization on local government innovation.
9. Participated in Equity/Diversity Conference sponsored by the Roanoke City Fire/EMS Department and local law enforcement agencies.
10. Continued collaboration with Roanoke County on the redevelopment of the Old William Byrd High School and former Roland E. Cook Elementary School into mixed use developments.
11. Town Clerk worked with Roanoke County to develop and implement a new email archive system to effectively retail and manage employee emails in conformance with Virginia Library retention standards.
12. Town Clerk began project of reviewing and updating our entire Town Policy Manual; met with Town Manager, Assistant Town Manager and department heads after which she revised and updated specific policies; and will continue revising and updating the Manual.

Fiscal Year 2015-2016 Goals

1. In partnership with Town Council, provide leadership to carry out the two year strategic goals for the organization, focusing on:
    a. Economic Development and Downtown Revitalization
    b. Infrastructure Investment
    c. Staff Development
    d. Volunteer Partnerships
2. Facilitate and engage Town Council and the community to develop a long term financial plan to ensure financial sustainability of the town through operations and capital investment.

Vinton Human Resources Department Mission Statement

The Human Resources Department serves as a strategic partner in creating a stable work environment, thus enabling employees to support and accomplish the goals and mission of the town by:

- Properly balancing the needs of the employees and the needs of the Town.
- Ensuring a diverse workforce in a safe and discrimination/harassment free environment by: maintaining compliance with employment laws and government regulations; providing management and employee training; and developing policies and procedures.
- Facilitating training and development in areas of: effective leadership and career development of employees; employment law and government regulation, and litigation avoidance.
- Hiring the most qualified employees by: pre-planning staffing needs; ensuring an effective internal interview process; increasing company visibility in the employment marketplace; identifying the best and most cost effective recruitment sources; and conducting thorough reference checks.
- Retaining our valued employees by: assuring effective leadership qualities in our managers; providing competitive wages and benefits; furnishing technical, interpersonal and career development training and coaching; conducting exit interviews and supplying relevant feedback to management; and enhancing two-way communication between employees and management.

Fiscal Year 2014-2015 Accomplishments

1. Successfully completed revision on the first half of the Town's Employee Handbook.
2. Held small employee meetings for the purpose of discussing issues that are relevant to improving morale and procedures.
3. Completed an Effective Supervisory Practices Training Series.

Fiscal Year 2015-2016 Goals

1. Complete the revision of the Town's Employee Handbook.
2. Facilitate training opportunities for employee growth and development.
3. Ensure compliance with Town, State and Federal policies, procedures and regulations in order to provide a work environment that is conducive and effective in meeting the needs of our customers.
4. Support the Town's employees and managers through the interpretation and application of policies and procedures. Increase the organization's learning.
5. Assess training needs and develop training opportunities in conjunction with employees and managers identified needs.
6. Increase employee job satisfaction, engagement, morale, and accountability.

Vinton Treasurer/Finance Department Mission Statement

In a spirit of excellence, integrity, and dedication, the Town of Vinton, Virginia's Finance Department is committed to providing timely, accurate, clear and complete information and support to other Town departments, citizens, and the community at large.

Fiscal Year 2014-2015 Accomplishments

1. Department Accounting Technical Guide was developed to detail the Accounting Manual for specific areas of operations.
2. Continued to expand the education of our customer's toward the use of our electronic payment methods for our utilities. The usage is now around 38% for ACH and credit card payments.
3. Implemented the Petztrack Animal License System to better maintain the information on our animal tags which is also available to our Animal Control Officer.
4. Contracted with Paymentus to overhaul our credit card payment system. The first phase of implementation on Real Estate and Personal Property will be completed and available for customer use for spring 2015. Utility Billing will be released later which is more involved.
5. Successfully completed the separation of duties between the Human Resources and Finance Department regarding the Payroll functions. This will clear an audit finding in the CAFR.
6. Continued to improve the Budget Financial Report – Comparative Budget Report for Revenues and Expenditures used by the Finance Committee and Council.
7. Achieved the GFOA Award for Financial Reporting for the 19th consecutive year.

Fiscal Year 2015-2016 Goals

1. Continue to improve Customer Service in all aspects of operations by providing the highest level of service to our external and internal customers.
2. Re-evaluate Job Functions and reorganize where necessary to meet the changing needs of the Finance Department and the changing work requirements.
3. Implement an on-line Employee Resource Center for Employees to be able to access their pay information and historical information and leave accrual information.
4. Continue to work uncollected receivables and write-off accounts annually.
5. Work with ACS and MUNIS to develop reporting tools that will assist staff in becoming more efficient with job task.
6. Attain GFOA Award for Financial Reporting after the completion of the annual financial report.

Vinton Police Department Mission Statement

The mission of the Vinton Police Department is to deliver quality police services to the community, while placing honesty, integrity, and professionalism above all else. We serve the community by enforcing laws and ordinances, safeguarding life and property, preventing and detecting crime, preserving the peace, being involved in community partnerships, and protecting the rights of all citizens.

Fiscal Year 2014-2015 Accomplishments

1. An increase in seat belt usage was shown by seat belt surveys and is a result of increased education and enforcement. An end of the year survey shows an 88% seat belt usage in the Town of Vinton.
2. Continued neighborhood enforcement efforts through utilizing DMV grants to increase neighborhood patrols.
3. Continued the use of LIDAR for more effective traffic enforcement. VPD has three handheld laser units for use by car and/or bicycle. Officers are concentrating efforts in the areas of Town that we see a trend in traffic crashes and driving complaints.
4. The department website continues to be a good source of information from the department to our citizens. Things such as current police events or community alerts can be viewed and communication is improved with the ability of the public submitting comments or reporting incidents. We have continued to assist with our neighborhood watch groups and had a very successful National Night Out event in August 2014 with many citizens, police and Town staff represented.
5. A basic citizens' police academy was held and fifteen community members graduated in November 2014.
6. We have completed most of the work to make the Emergency Operations Center more functional and effective. Plans are in the works to install radio equipment to supplement communications during an incident.
7. We have continued having two officers working with the elementary schools to be a liaison between the police department and students, faculty, and staff. The officers check in with the schools periodically to address any concerns and interact with students. We have also participated in activities and events throughout the school year to further interact with our youth.
8. The department K9 has been working and is being successful in narcotic detection and patrol work. The K9 offers an extra bit of safety for the officer and is a good resource for particularly dangerous situations we may encounter.
9. The department continues with the extra-territorial arrest agreement with Roanoke City, Roanoke County, and the City of Salem. This agreement allows seamless transition of law enforcement services across jurisdictional boundaries and improves our ability to investigate and mitigate crimes no matter which locality we are located.
10. The department was reaccredited in September 2014, with 100% compliance with all accreditation standards. We are proud of this accomplishment and will continue to conform to professional standards.

11. The department has initiated a domestic violence victim screening system to better document instances of violence and assess the likelihood that future domestic violence may occur. Victims are contacted after the initial response to check on their well-being and are again offered services to assist them. We feel this initiative will better serve victims and families of domestic violence.

Fiscal Year 2015-2016 Goals

1. Provide Outstanding Community Awareness/Customer Service
   a. Continue Business Blitz and school liaison program
   b. Conduct Basic Citizens Police Academy
   c. Continue Community Programs as staffing permits
   d. Continue to promote Citizen Interaction on department's website
   e. Continue to utilize Go-Green initiatives through recycling and reducing the use of paper through electronic forms
2. Seek Alternate Funding through grants and asset seizures
3. Continue to more accurately compile crime and traffic data in order to identify locations of frequent incidents. Through crime analysis, we can conduct targeted patrols in an effort to reduce the number of occurrences.
4. Increase recruitment efforts by updating department informational brochures and attending career days and job fairs.
5. Reorganize staffing in the Detective Division in order to investigate TOV drug violations and increase efforts to detect and enforce violations pertaining to crimes against children. Additionally, considerations will be given to having administrative staff available to officers for longer periods of time to improve communication and be able offer more resources to them.
6. Attempt to obtain an All-terrain vehicle (ATV) primarily to use for patrol and search/rescue incidents that may occur on the Roanoke Valley Greenway system that runs through our locality. Trails are lengthy and we want to be proactive in our patrols, especially where police bike travel is not possible or feasible. We feel that it's important to maintain a presence, particularly during those times that the Greenway is used most often, to give citizens a sense of added safety while they use the trails. In addition, this ATV can be equipped to render aid and possibly assist with the extraction of an injured person from the trail to awaiting emergency services. We will continue to seek grant opportunities to obtain this equipment.
7. Gain approval for a compensation plan that will adjust the salary of department personnel in order to be competitive with surrounding law enforcement agencies and provide fair and equitable compensation for the tasks that personnel accomplish. Salaries for department personnel are well below that of nearby localities and the fear is that we will begin to lose officers to those departments after a substantial investment in training, education, experience, equipment, and service to the public. It has been many years since an adjustment was made and now is the time to update and improve our compensation plan.

Vinton Fire and EMS Department Mission Statement

The mission of the Vinton Fire and EMS Department is to serve the citizens of Vinton and East Roanoke County, to promote and sustain a superior quality of life in our service area through the provision of emergency-related services – protect lives and conserve property through the provision of professional fire, rescue and emergency medical services. Provide excellence in service through public fire education and fire presentation. Provide state of the art training to our Fire and EMS personnel to insure high quality care of our citizens. We pledge to deliver professional, cost-effective services in a personal, responsive, and innovative manner that will always service the public.

Fiscal Year 2014-2015 Accomplishments

1. The Crew's Rehab truck was placed into service and is fully operational.
2. Celebration of the 75th Anniversary of the Vinton First Aid Crew.
3. The Crew informed the community of several EMS activities as well as creating TV promos about EMS and the Crew.
4. At this time the Crew did not have the funds to upgrade or replace the troubled building access system.
5. The Crew did recruit 5 new members this year.
6. The painting of the high traffic areas of the Crew Hall was completed during the winter.
7. A new ice machine was purchased for the FD and it replaced an almost 10 year old ice machine.
8. 3 members of the FD with 50 years of volunteer service were recognized by the Town.
9. The renovations of the FD for the future 24 hr shifts started after the New Year.
10. Starting on Jan. 5th with the aid of 2 County captains and the Town captain was able to staff a medic truck and wagon 24/7–depending upon the call type.
11. The addition of one more employee in March that will help with staffing of the 24hr fire truck.
12. The FD has purchased a new thermal imaging camera (TIC). This new camera will replace the current one which was the original camera purchased back in 1999-2000.

Fiscal Year 2015-2016 Goals

1. Develop a funding agreement with Roanoke County along with an EMS grant to replace the aging 2006 M-23 with almost 100,000 miles on it.
2. To insure the proper career staffing for manning a fire truck and 1st run medic truck 24/7 while maintaining a 2nd medic unit/ladder Monday through Friday from 6A-6P. This will be accomplished by the Town adding 1 more position and the County adding 5 more to this station around July.
3. The Vinton First Aid Crew desires to try and recruit at least 5 new members and have a minimum of 2 more members become ALS certified.
4. The Crew wants to complete the "in house" WIFI system upgrades.

5. The Crew will continue to provide CPR and/or 1st aid classes to the public and provide continuing education to our members and others through the CE weekends.
6. The Fire Department wants to purchase new furniture for the shop and dispatch office as well as the apartment upstairs.
7. The Fire Department wants to try and recruit at least ten more volunteers.
8. Continue to conduct a study to determine the economic feasibility of renovating or demolishing and rebuilding the Fire House. This is because of the age and ever increasing repairs and maintenance costs.
9. Develop a funding agreement plan with Roanoke County to replace Ladder 2 after 22 plus years of service along with planning for the replacement of the wagon which will be 18 years old.

Vinton Special Programs Department Mission Statement

The Mission of the Special Programs Department is to create, conduct, and promote interesting and unique events and activities for citizens of and visitors to Vinton.

Fiscal Year 2014-2015 Accomplishments

1. The Special Programs Department is extremely supportive and active with the "In Vinton" branding. The Special Programs Director is one of the administrators of the "In Vinton" face book page. New ads were designed and utilized in Valley Life magazine, Virginia's Blue Ridge Visitors Guide. Two Special Programs staff members assisted with research and editing of the new InVinton visitor's guide. Special Programs also set-up an InVinton Pinterest page. The Special Programs Director assisted with the roll-out of the new branding in February 2014 and the branding emphasis at the groundbreaking of the new Vinton Library.
2. The Special Programs Department implemented the second year of the SNAP program at the Vinton Farmers' Market. The program began serving the clients July 5, 2014. Staffing and matching funds for SNAP purchases were made possible through a donation from Carillion. Promotion was conducted through Vinton Farmers' Market postcards, SNAP flyers, face book and newspaper articles.
3. Special Programs contacted and worked with Virginia Tech Family Nutrition Program for promoting SNAP and hands-on children's cooking demonstrations at the Vinton Farmers' Market for the second year.
4. The department worked cooperatively with Rockingham Mutual Insurance to provide 400 re-usable market bags for the Vinton Farmers' Market for a second year.
5. The department distributed 9800+ Vinton Farmers' Market promotional postcards the spring of 2014 and another 3000 fall promotional postcards to east Roanoke County Schools, Bedford area schools and many other public areas.
6. Third year as major organizer for Vinton's participation in the Blue Ridge Veterans Celebration. The event included a veterans' day ceremony in cooperation with the Roanoke Valley Veterans Council, a picnic luncheon for 300, entertainment by Revelation Quartet and 311 Elm, and children's activities. Through the effort of the Veterans Day Event and a Distance Run in September 2014 the Blue Ridge Veterans Celebration awarded approximately $5000.00 in grants to veterans related needs.
7. The department organized and conducted ten town sponsored special events at the Farmers' Market including: Art Markets, Craft Shows, and a children series called "Shake, Bake and Sprout. Also facilitated four Mingle at the Market concerts held by the Vinton Chamber of Commerce and two benefit events held by various organizations.
8. Organized and implemented the second year of the Vinton Zombie Walk. Funds were contributed to the Vinton Needy Family Fund.
9. Worked cooperatively with the Vietnam Veterans Commemoration Committee to plan the first two community wide events as part of the three year commemoration.

10. The Special Programs Director and an employee from each town department organized and produced the 2014 "Imagine" Town Calendar.
11. The department facilitated expansion of vendor hours at the Vinton Farmers' Market to seven days a week from 7 a.m. to 7 p.m.
12. The Special Programs Director served as Vinton Dogwood Festival Parade Chairperson and Public Relations contact person.
13. The Special Programs Director organized entertainment for the Vinton Fall Festival and Vinton Senior Expo.

Fiscal Year 2015-2016 Goals

1. Organize and conduct Arts and Craft Markets, "Shake, Bake, and Sprout" children's' events and food tastings at the Vinton Farmers' Market. Increase vendor participation at the market.
2. Facilitate other events, concerts and distance runs held by other organizations.
3. Continue to increase the social networking for promotion of the Town of Vinton and events. Facebook, Twitter, You Tube, Pinterest, etc.
4. Work cooperatively with the Blue Ridge Parkway, Roanoke Valley Convention and Visitors Bureau, Roanoke County, Vinton and Smith Mountain Lake Chamber of Commerce and other organizations to promote Vinton, town festivals, and events.
5. Work cooperatively with the new Blue Ridge Region Farmers Market Committee and Local Foods Network for the benefit of all markets and food efforts in the region.
6. Seek sponsors and partnerships for events and activities.
7. Fully support the new "In Vinton" branding and develop marketing and promotion.
8. Fully support the Downtown Vinton Revitalization Grant. Facilitate communication between businesses and the Town of Vinton.
9. Continue involvement in the Blue Ridge Veterans Celebration and Vietnam Veterans Commemorative events by serving on the board of directors or committee.
10. Continue as an active board member on Roanoke Valley Television Committee and Vinton Chamber of Commerce.
11. Continue positive promotion for the Town of Vinton.

Vinton War Memorial Mission Statement

Originally created as a living memorial, in 1948, to honor Veterans, the Vinton War Memorial has evolved into a premier special event space nestled in the heart Virginia's Blue Ridge. Through exceptional customer service, elegant surroundings and community involvement, the War Memorial strives to meet the needs of our regions social, business, and civic clients.

Fiscal Year 2014-2015 Accomplishments

1. Continued to enhance the philosophy and approach to how we sell our space.
2. Hired key staff member Chasity Barbour.
3. Maintained and strengthened relationships with existing clients including DePaul, Jefferson College and AARP, Sun Trust, Mental Health Assn.
4. Added new frequent use customers such as Virtual U, Carilion, Freight Car America and Advance Auto.
5. Purchased additional table cloths, glassware and other products to facilitate enhanced sales.
6. Hosted multiple community and fund-raising events, maintaining our ties to the citizens of Vinton. Events included Relay for Life fund raisers, Red Cross Blood drives, Mayor's Dogwood Festival Luncheon, DMV2GO, Holiday Lunch, United Way, Roanoke Children's Theatre, Project Access, RSO Concerts, Roanoke Valley Children's choir and TOV employee events.
7. Added landscaping that greatly enhanced the physical plant.
8. Increased In-House food and beverage sales offered by VWM 60%.
9. Continued to enhance esthetic of the building and grounds replacing fixtures, painting and general cosmetic upkeeping.
10. Projected to be with-in 5% $180,000 in total sales for this fiscal year.
11. Continued improvements to Vinton War Memorial website and social media outlets.
12. Decreased expenditures in advertising and other line items in budget and overall operated with-in or below budget confines.
13. Continued Negotiating with supply vendors to reduce expenses with-in the budget.
14. Executed elements of the marketing and business plan to facilitate growth of the business.
15. Continued to operate under budgeted expenses and reduce subsidy provided by taxes.

Fiscal Year 2015-2016 Goals

1. Establish clear brand identity and message of War Memorial Building and park complex.
2. Reduce subsidy provided by public funding.
3. Increase event bookings through targeted advertising, networking and building business relationships.

4. Continue to increase revenue by pursuing both new and previous clientele, hosting revenue generating events in-house and offering packaging services to social and corporate clientele.
5. Further educate staff with hospitality training and business development counseling.
6. Continue to seek opportunities to save funds in the operational budget.
7. Structure key-personnel to maximize operations.
8. Host more events such as public dining events, entertainment events, festivals, expos and auctions to generate revenue and encourage the community as a whole to utilize the facility.
9. Continue to strive for increased environmental awareness through digital operations, recycling initiatives and encouraging less waste from events.

Vinton Municipal Pool Mission Statement

The Mission of the Vinton Municipal Pool is to operate a well-supervised aquatic program for the citizens of Vinton and the surrounding areas.

The Vinton Municipal Pool conducts a fun and safe aquatic program for all ages.

Fiscal Year 2014– 2015 Accomplishments

1. Facilitated the partnership of the Town of Vinton staff and Lynn Haven Baptist volunteers to operate the concession stand.
2. Worked with Thrasher Methodist Church, Lynn Haven Baptist and Bedrock Baptist Church to provide 11 weeks of Wednesday night community dinners serving 200-250 people each week
2. Over 8,860 people visited the pool during the 2014 season.
3. The Pool Manager and Assistant Pool Manager assumed the duties of pool technician. Additional pool staff completed pre-season maintenance work.
4. Additional Special Programs staff prepped and replaced the expansion joints compound and patched concrete as needed in the pool.

Fiscal Year 2015-2016 Goals

1. Facilitate community partnerships with area churches and the Town of Vinton to continue to enhance programming at the Vinton Municipal Pool.
2. Continue to increase participation at the Vinton Municipal Pool through programming and promotion.
3. Continue to hire trained and certified lifeguards for the Vinton Municipal Pool.

Vinton Senior Center Mission Statement

The Mission of the Senior Citizens' Program is to provide an active senior adult program for the purpose of socialization, leisure interest and enrichment.

The Vinton Senior Citizens' Program is responsible for planning, implementing, and conducting a well-balanced program for active senior adults. The Vinton Senior Center is available for rental during evenings and weekends for civic meetings, organization meetings, classes and events by individuals.

Fiscal Year 2014-15 Accomplishments

1. Building improvements include the interior painting of the senior center in March 2014 by a group of volunteers from the Roanoke County Jail. In April, the Big House Dance Group provided a donation for decorative/faux painting and upcycling. Furthermore, the Senior Center staff painted the kitchen cabinets and installed new hardware. A new kitchen counter, sink and faucet were also installed. In addition, the senior center exterior was painted in September by a group of TMEIC volunteers for the United Day of Action. Senior Center staff supervised the volunteers and painted the eves of the center New light fixtures were also installed on the front porch and the kitchen.
2. During the year speakers provided presentations concerning scam and fraud Prevention, wills, power of attorney, Rescue Mission, stroke prevention, stress management, and financial planning.
3. The Senior Coordinator and volunteers organized a booth and shared information about the Vinton Senior Citizens Program at the Vinton Senior Expo. The Tai Chi and Line Dance Classes and instructors presented entertainment for the expo.
4. New senior activities include Pinochle card games, Music Get Together (each Monday), and an additional Tai Chi class each Tuesday. The Tai Chi class is being taught by senior adults who have received teaching certification.
5. The Senior Program promoted the program through Town of Vinton and InVinton face book pages, Senior News Feature in March 2014 and March 2015, feature article about the Vinton senior program in the Vinton Messenger in February 2015.

Fiscal Year 2015-2016 Goals

1. Present information relevant to topics for seniors.
2. Cooperative programming with other departments or organizations.
3. Promote activities for a healthy body and mind.
4. Continue to increase participation in the senior program.
5. Promote activities thru various media and events.
6. Plan and conduct new craft classes and activities.
7. Research new travel destinations and cooperative programming in travel.
8. Research needs of underserved adult population.
9. Update senior center infrastructure.

Vinton Economic Development Mission Statement

The mission of the Town of Vinton Economic Development program is to attract and retain an appropriate mix of business for the purpose of increasing the tax base and improving employment opportunities in Vinton.

Goals of the Economic Development Department are related to the attraction, creation, and improvement of the local business environment including:

- Encouragement of existing business to improve and upgrade
- Recruitment and establishment of new businesses
- Quality development of both business and labor sectors of the community.
- Providing a good quality of life for residents.

Fiscal Year 2014-2015 Accomplishments

1. The Town signed a contract with the Chamber of Commerce to do joint advertising and promoting.
2. Maintained and enhanced cooperative relationships with existing businesses and industries. Continued dialog with local industry through site visits.
3. Was able to successfully get businesses, events, and projects in front of more media outlets to increase exposure.
4. Attracted new businesses to the Town of Vinton from surrounding jurisdictions and outside the area.
5. Continued the implementation of the $700,000 CDBG program to revitalize downtown Vinton.
6. Began to successfully implement the VINTON brand.

Fiscal Year 2015-2016 Goals

Goal 1: Near Term Economic Development Strategy:

1. Work with the Virginia Economic Development Partnership to help businesses expand their workforce and markets where necessary.
2. Reinvigorate the downtown area by successfully completing the $700,000 Community Block Grant and help businesses carry the momentum forward.
3. Continue working with the Vinton Chamber of Commerce to promote Vinton and Vinton businesses. We will also work with the Chamber to form goals based on the main street four point approach.
4. Work with Roanoke County Economic Development to market vacant properties and buildings.

Goal 2: Work collaboratively with other Town Departments to create a solid foundation and to target specific areas for Economic Development.

1. Develop a map with quadrants identified by their priority for economic development issues. This will include a fact sheet for each quadrant
2. Involve departments in talks with potential developers and businesses.
3. Continue working with the County and Regional Partnership for Economic Development.
4. Redevelop downtown storefronts to obtain a mix of businesses and services.

Goal 3: Long-term Economic Development Strategy: The health and vitality of our current industries is a top priority. Thus we must create a culture that embraces the spirit of entrepreneurship, promote successes of entrepreneurs and realize that the vibrancy and growth of small businesses is key to future growth in Vinton.

1. Retain existing and attract new businesses as a means to create a more balanced economy with greater job diversity and a broader range of goods and services
2. Realize economic and social gaps that exist and formulate plans to fill them.
3. Develop programs, systems, and the infrastructure necessary to promote a diverse economic structure that is sustainable.

ORDINANCE NO. 953

AT A REGULAR MEETING OF THE VINTON TOWN COUNCIL, HELD ON TUESDAY, JUNE 3, 2014, AT 7:00 P.M., IN THE COUNCIL CHAMBERS OF THE VINTON MUNICIPAL BUILDING, 311 SOUTH POLLARD STREET, VINTON, VIRGINIA.

AN ORDINANCE to adopt water and wastewater rates and charges for residential/ commercial/institutional/industrial users pursuant to the Vinton Town Code, Chapter 94, Utilities, Section 94-46, Water rates and charges and Section 94-91, Wastewater rates and charges and establishing an effective date.

WHEREAS, establishing rates and charges for service is the responsibility of Town Council; and

WHEREAS, the Utility Fund is an enterprise fund and expected to generate revenues to cover all associated costs of providing public water and wastewater services; and

WHEREAS, the Town proposes capital equipment purchases and other capital improvements for the Town; and

WHEREAS, a water and wastewater rate increase of 8.9% effective July 1, 2014 and a water and wastewater rate increase of 8.9% effective July 1, 2015 is needed to fund these capital purchases, capital improvements and support the annual debt service for existing general obligation bonds or future general obligation bonds as Council may deem necessary to accomplish these projects; and

WHEREAS, the Town Council supports the principle that utility fund costs should be shared in a fair and equitable manner amongst all customer classes; and

WHEREAS, a public hearing was advertised and held on May 20, 2014, and all public comments have been considered by Council; and

WHEREAS, the recommended, water and wastewater rate increases for residential, commercial, institutional, and industrial customers will result in fair and equitable water and wastewater rates and charges amongst customer classes.

NOW, THEREFORE, BE IT ORDAINED by the Vinton Town Council that the increased residential/commercial/institutional/industrial water and wastewater rates and charges shown on the attached Rates & Charges Schedule for Water and Wastewater Service are effective on July 1, 2014 and July 1, 2015 for any water and wastewater billed on or after those dates. Said Schedules are hereby incorporated by reference, enacted, approved and established.

This Ordinance adopted on motion made by Vice Mayor Nance and seconded by Council Member Adams, with the following votes recorded:

Note. (1) Service laterals installed to maximum of 15 feet. (2) Depth of open cut to maximum of 5 feet. (3) Water service lateral connection to maximum 1-inch meter size. (4) Wastewater service lateral connection to maximum of 4-inch. (5) Main water distribution line and wastewater collection line each to a maximum of 8-inch. (6) Asphalt cut and patch is included. (7) Assumes no rock or ledge is encountered. (8) Work is performed on low traffic volume residential streets, not main/arterial collector streets or intersections. (9) Water and wastewater main extensions are performed in conjunction with tap & service lateral connection work. (10) A contracting charge of 20% for water and 16% for wastewater of the estimated value of the work or $1,000.00 each, whichever is greater, shall apply when the Town performs some or all of its work by contract. The customer may be required to make a down payment when work is to be performed by contract. An administrative service charge of $125.00, plus any actual costs incurred, will be assessed by the Town, if the customer elects to perform the work with its own contractor or not at all, after the Town obtains pricing from a contractor. Also, an administrative service charge of $125.00, plus any additional costs incurred, will be assessed when a customer requests return of fees and charges paid to the Town.
If conditions differ from above items (1) through (9), then additional charges shall apply.
