(540) 983-0601 Request a copy of the zoning regulation. Ask if a rezoning might be required. Are there any zoning restrictions on the property that will inhibit doing the proposed business in that location? Will it require a CHANGE OF USE? Before purchasing contact the Real Estate Valuation Department at Roanoke County to see if a change of use will change the tax liability (540)772-2035. If a CHANGE OF USE is required then current building codes must be met. Call the Town of Vinton Public Works Department to verify ample water pressure to the property to support fire suppression needs or meet the product demands. (540) 983-0646 Make an appointment with the Roanoke County Building Commissioner's Office to verify code compliance. (540) 772-2065. Schedule a meeting with the Fire Marshal's Office to verify the site is in compliance with new fire code requirements. (540) 777-8721 	<p>Identify which type of business entity for your company's registration.</p> <p>Starting a business is easier than you might think.</p> <p>In the case of a sole proprietorship or partnership, the first steps are obtaining a business license and registering your trade name. Contractors must provide proof of Worker's Compensation Insurance before obtaining a business license.</p> <p>To obtain a license, visit the Town Treasurer's Office at 311 South Pollard Street, Top Floor Lobby - (540) 983-0608.</p> <p>Businesses pay an annual tax or fee. In general, the tax applies based on gross receipts. For new businesses, the first year's anticipated revenue will be charged. The fee varies on the type of business. Contact the Treasurer's Office to assist you in determining the appropriate amount for your business. Licenses must be renewed annually by March 1.</p> <p>If your business is a corporation, a limited liability company or a limited partnership, you must register it with the Virginia State Corporation Commission (SCC). The type of registration form you use will depend on the type of business you are starting. The Virginia State Corporation Commission maintains registration forms on-line. You may access them at: www.scc.virginia.gov/forms/FormSearch.aspx.</p> <p>If you do not have access to the Internet, you may obtain information about the required SCC forms, by calling toll-free: 1-866-722-2551.</p>	<p>A Building Permit is required if plans include proposed new construction or renovation/alteration of existing buildings. Plans must first be submitted for review and approval.</p> <p>A fee, based on square footage for new construction, or a percentage of value for renovations, must be paid before issuance of the permit. When all Town, County departments, and the Health Department (if applicable) have approved the site plan and building plans, you can obtain a building permit to begin construction. During construction, several inspections must be made to ensure that the work underway meets Building Code requirements. New or renovated buildings may not be occupied until all inspections have been made and a Certificate of Occupancy has been issued.</p> <p>Sign Permits are available through the Planning & Zoning Office. A business license and zoning permit must be applied for prior to the application and approval of the sign permit. (540) 983-0601</p> <p>Land Disturbing Activity Permits pertain to erosion and sediment control and are required when the area of land disturbance will exceed 2,500 square feet. For details, contact Planning & Zoning Office.</p> <p>If water and wastewater services are needed at your site, you must contact the Town's Public Works Department.
