**Richard W. Peters, Jr.**  
Town Manager

Greetings from the Town of Vinton and thank you for visiting our award-winning website, where I hope you will enjoy learning about the Town and finding helpful information about our services, activities and events that make Vinton the “IN” place to live, work and play.

In addition to finding details and contact information regarding our various departments and employees, you will also find information regarding the five elected members of Town Council, as well Council meeting agendas, an event calendar, the ability to pay taxes, utility bills and other fees and a social media feed that will provide the most up to date information available related to our municipal services, local entertainment options, and transportation updates.

As our Mission Statement reflects, the Town desires to provide responsive, efficient and meaningful public services to our residents, visitors and businesses, while providing for the public’s safety, preserving our sense of place, respecting our history, reflecting a positive attitude and engaging with our community on all fronts.

Vinton is proud of its recent community redevelopment success and applaud the vision and the support that Town Council has established to advance the Town forward. Under their leadership, the employees of the Town are actively working to enhance local services, improve transportation corridors through grant funding and redesign and recruit responsible revitalization efforts through targeted in-fill and up-fill redevelopment projects. These efforts will improve the overall quality of life for our residents and visitors through developing family-friendly public spaces, recreation and entertainment opportunities and enhanced walkability.

Vinton’s future is as bright as ever and I look forward to working with Town Council, the citizens, business owners and my fellow co-workers to continue the positive momentum and reach new heights of success for our community.

Respectfully yours,

**Richard “Pete” Peters**  
Town Manager
