### Statement on the Fiscal Year 2021-2022 Audit

The annual financial audit for fiscal year 2021-2022 is pending at this time. As a result of regular and ongoing discussions between staff and the Town's auditors, there are no concerns with the content of the audit. The delays resulting in the pending status of the audit have been primarily the result of situations beyond staff's control, namely a number of employee changes and transitions that have occurred over the past nine months.

The anticipated date of completion of the audit is on or before June 30, 2023.

Thank you for your understanding and patience as we take the time and steps necessary to appropriately and accurately complete this audit.
