## Does the town pick up yard waste?

- Yard Waste Collection occurs weekly on your regular refuse collection day. **Yard waste is not collected in alleys.** You do not need to call ahead to arrange for yard waste pickup. Have yard waste placed at the curb by 7 a.m.
- Landscaping
  - Please do not put out timbers used in landscaping, bushes/small trees/plants with root balls still attached, sod, tree stumps or dirt. These items will not be picked up.

- Leaf Collection
  - **Bagged Leaves** will be collected weekly on your regular refuse collection day.
  - **Fall Loose Leaf Collection** occurs annually and is scheduled during November and December each year. The schedule is published on the TOV website and announced on cable TV government access, Channel 3. Leaves should be raked no closer than one foot and no farther than five feet from the back of the curb or edge of the street located in front of the residence. Do not place leaves in the street or gutter as this may cause rainwater to pond and leaves to wash into the roadway creating hazards and obstructing traffic. Sticks, limbs, rocks and other debris should not be included in the leaves as these items can clog and damage the equipment. Leaves must be raked to the proper location by 7:00 am. Leaves should not be put out too early, and should not block sidewalks. Weather and equipment breakdown issues can cause delays. We ask for your patience and cooperation.
  - Yard waste may also be hauled by Vinton Residents to the Roanoke Valley Resource Authority (RVRA) Transfer Station. For more information on this, please visit: <https://www.rvra.net/98/Residential> and click on the Roanoke Valley Resource Authority (RVRA) Residential Disposal Policy (PDF) under Solid Waste Disposal.
